

How can you Help?

You can donate online at www.confikids.org or attend our fundraising events:

- + Kentucky Derby Party (May)
- + Foxtoberfest (Sept)
- + Family Variety Show (March)
- + Other Events Listed on our Site

Like to bike ride?

Be part of our ConfiKids Team in the Rodman Ride for Kids. It is a lot of fun to be part of our team and your efforts will help a great deal of kids!

Like to celebrate?

Be part of ConfiKids group at Celebration for Kids in Boston in December. It's an amazing party and you and your friends/ co-workers can help us raise funds just by attending the event!

Want to help a particular child?

We can earmark your donation to help a child with a particular activity you (or someone you would love to honor) enjoy. Have a father who loves golf? Earmark your donation for a child to take (or continue) golf lessons! Grew up dancing and believe in the benefits of bar work and practice? Send a child to dance class!

Amazing Things

Our donors have made happen.

T

A child who was non-verbal from trauma found her voice with singing lessons and loves her new ability.

H

Two brothers suffering from ADHD are learning how karate can change their lives and they can meet goals.

A

A girl who loved her circle of friends and gymnastics program was able to continue her program after becoming homeless.

N

Several children have learned the life-saving skill of swimming.

K

A girl got the lead in a musical that she almost could not enroll in due to the cost of the program.

S

So many children have grown in confidence on stage, on the field, on the court, in the studio and in life in general.

Building confidence through enrichment!

Building confidence through enrichment!

We are building confidence in children through recreational, enrichment, sports & arts programs. We provide funding for these activities for children in grades 1-8 with financial challenges.

About Us

Confikids, Inc. is a 501(c)3 non-profit organization. We believe, that in today's world, children meet their social circles, learn new skills and build confidence through activities and programs.

Learning a new skill or craft, or continuing in an activity that a child loves does so much for a child when it comes to self-confidence. They also meet other children with mutual interests and build a foundation while learning who they are and what they enjoy. Children will continue to try to excel in an activity or take a chance of trying something new!

How to Apply

If you are the parent, guardian, coach, guidance counselor, or advocate for a child wanting to enroll in a program, you may visit us at www.confikids.org and apply online. The application is a simple process and as long as the child is in Grade 1-8 and a certification of the Free Lunch Program at school is attached, our panel can review for funding. It is simple and quick process!

Our Impact

We have only just begun to make an impact on children. Our scholarships range in cost and length of time, but one common denominator exists: a child is happier doing what they love to do. Kids build confidence while learning and excelling in an activity. We ask for feedback from our applicants and the programs the children attend. We receive thank you letters regularly!
